Our dear clients, partners, and friends,

For six month Ukraine has been heroically resisting russian invasion and aggression. Nevertheless, Ukrainians strongly believe to victory.

Centravis production continues to work. The Hot Shop and the Cold Shop continue working in 2 shifts. Despite difficult situation in Nikopol, Centravis team is highly motivated. All key equipment is running. Production is provided with billets and all necessary materials. Our Sales offices stay connected with our clients and partners and are always ready to respond to your requests.

Centravis CEO Yuriy Atanasov and Production Director Andriy Krasjuk stay in Ukraine and keep working in Nikopol.

This week Ukraine has celebrated Flag Day and 31st anniversary of Independence. People of Ukraine have got support and congratulations from all over the world. This gives us the strength to continue the fight for freedom and European values.
