Dear Clients and Partners,

I'm pleased to inform everyone that operations at Centravis remain stable. We have consistent water, energy, and raw material supplies. Logistics processes are functioning optimally, and our team remains highly motivated.

At the beginning of this week, I was on a visit to our clients in Oman. I'm pleased to announce that we have secured a tender for 200 tons with Petroleum Development Oman (PDO).

After Oman, I proceeded to meet our clients in Dubai.

As of today, I'm in New Delhi, engaging with our clientele in the automotive sector.

For a visual update on these visits, attached are a few photographs for your reference.

Thank you for your continued partnership. Should you need any further information, please feel free to reach out.

Best regards,

Artem Atanasov
