FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

This week, our focus was on the Tube Trade Fair in Düsseldorf, a significant event that brought together our global team from the Americas, Asia, the Middle East and Australia, Germany, Italy, Central, Southwestern, and Northwestern Europe. Members from our back-office, marketing teams, and the Board of Directors, including our CEO and CFO, also attended.

I am grateful to all our clients for your support, as we continue to grow and advance together, overcoming challenges and achieving growth. I'm pleased to share a photo from our booth at the fair.

If you visited our stand, you might have noticed my absence—I was unfortunately

sidelined last Friday due to an emergency appendectomy. Thankfully, I am recovering well and appreciate all the kind messages and well-wishes.

Operational Update:

- * Energy and Water Supply: Stable, ensuring our operations continue without interruption.
- * Equipment Functionality: All systems are operational with no issues.
- * Team Engagement: Our team is fully engaged, motivated, and prepared for any challenges.
- * Logistics and Border Crossings: We experienced a three-week delay for two of our Italian customers due to border complications. A resolution is expected next week, and we apologize for any inconvenience caused. All other logistics operations are functioning smoothly.
- * Billet Supply and Material Provision: Our stock levels are robust, ensuring we can meet your demands efficiently.

Thank you for your continued partnership.

Best regards,
Artem Atanasov
