FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

I want to share some important updates from Centravis as we continue to develop efficiency in all our operations.

Recently Centravis R&D team have successfully completed the **development phase for Nickel Alloy N06625** products. This milestone not only highlights our commitment to maintaining high production standards but also showcases our capabilities in specialized alloys. So we ready to introduce these new products to our clients, reflecting our continuous efforts to develop and enhance our offerings.

Also I am excited to introduce a special offering for our clients in German and Italian markets – the "**FAST LANE**" program. This new initiative is designed to accelerate the production and delivery processes. Special price for the following offer:

- **Quantity:** order is limited by 10 tons of billet (single grade and size)
- **Steel Grades:** TP316, 1.4571, S31803
- **Billets size:** 180 mm, 215 mm
- **Finished Tubes OD:** 6 – 76.1 mm
- **Guaranteed term of production:** Up to 4 weeks ex-mill

This program is specifically tailored to meet the fast-paced demand of our valued clients, ensuring that your needs are met swiftly and efficiently.

Here is a brief status check of Centravis operational stability:

- **Energy and Water Supply:** Stable, ensuring uninterrupted operations.
- **Equipment Functionality:** All systems are operational without any issues.
- **Team Engagement:** Our team is fully engaged, motivated, and ready to tackle any challenges.
- **Logistics:** Moving goods across borders is smooth, with no delays.
- **Billet Supply and Material Provision:** We are well-stocked and prepared to meet your demands efficiently.

Lastly, on May 20 2024 Centravis has successfully passed regular audit conducted by **Bureau Veritas**. The audit's results affirm that our production situation remains stable, with all operations running smoothly and product shipments being executed on time. Importantly, no critical factors were detected that might impact our operations adversely.

III. CONCLUSIONS

Based on the results of above mentioned audit:

- at the time and place of audit, production situation in the **CENTRAVIS PRODUCTION UKRAINE PJSC** is stable, the production and shipment of products to customers is provided in normal mode.
- at the time and place of audit, factors that can greatly affect the operation of the enterprise were not detected.
