RE: Centravis production

Our dear clients, partners, and friends,

Centravis production continues to work. The Hot Shop and the Cold Shop continue working in 2 shifts. Moreover, night shifts also have been restored, but not on an ongoing basis.

All key equipment is running. Production is provided with billets and all necessary materials.

Our Logistics team is actively working and constantly looking for the best and safe ways to deliver the finished products. Our Sales offices worldwide in Essen, Milan, Krakow, Lugano, Houston, and Dubai are open, our Financial and Administrative Departments, Customer support are ready for your calls and messages.

Production Director Andriy Krasjuk stays in Ukraine and keeps working in Nikopol.

This week Centravis CEO Yuriy Atanasov and majority of Sales team have visited Stainless Steel World Exhibition which was held in Maastricht, Netherlands. We discussed ongoing and future projects with our partners, shared our ideas about global trends in the industry and used this chance to strengthen relationships with our clients.

Sincerely,

Artem Atanasov
