Dear Clients and Partners,

I am happy to report that our operations continue to run smoothly. Our energy and water supplies remain stable, providing the foundation for uninterrupted production. All equipment is performing at optimal levels, and we have encountered no issues that would affect our ability to meet your needs. The entire team at Centravis is fully engaged, motivated, and prepared to handle any challenges that may arise, ensuring that we remain a reliable partner in your supply chain.

Beyond these stable conditions, we are dedicating time and resources to refining our internal processes. Our goal is to continually enhance quality and efficiency, so that we can deliver even greater value to you. Whether through fine-tuning our manufacturing approaches or exploring opportunities for technological advancement, we remain focused on innovation and excellence.

Thank you for your ongoing trust and support. We look forward to maintaining this positive momentum, working together to achieve our shared ambitions, and building an even stronger future.

Best regards,
Artem Atanasov
