FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

I'm pleased to share that our operations at Centravis remain stable and efficient, supported by reliable energy and water supplies that keep our production lines running continuously. With all equipment in excellent working order and no reported issues, our day-to-day processes continue without interruption. Our team's dedication and enthusiasm ensure that we are always ready to meet new challenges head-on.

Additionally, I would like to highlight a recent event where our **CEO, Yuriy Atanasov**, served as a speaker at the [European Business Association's "Global Outlook: Enduring Change."](#) The discussion focused on economic and energy perspectives, progress in European integration, the role of international cooperation and technology, and business strategies for addressing challenges and opportunities in a rapidly changing world.

Thank you, as always, for your continued support. We look forward to building on our success together in the coming days.

Best regards,
Artem Atanasov
