Dear Clients and Partners,

This week, our team actively engaged with our Italian clients to discuss their latest updates, needs, and objectives. We explored various ways we can best meet these needs and how our companies can grow together.

From our side, we shared exciting news from our production lines, including advancements in the pressing technology for small diameter tubes and ongoing developments in the production of Nickel Alloy 625.

Yuriy Atanasov sends his warm regards to all and appreciates your continuous support.

Thank you for your trust in our partnership. We value your collaboration and are committed to providing you with the best possible solutions.

Operational Overview at the Plant:

- **Energy and Water Supply:** Stable, ensuring uninterrupted operations.
- **Equipment Functionality:** All systems are operational without any issues.
- **Team Engagement:** Our team is fully engaged, motivated, and ready to tackle any challenges.
- **Logistics:** Moving goods across borders is smooth, with no delays.
- **Billet Supply and Material Provision:** We are well-stocked and prepared to meet your demands efficiently.

Thank you for your continued partnership and trust in us. We look forward to further strengthening our relationship and continuing to provide you with the high level of service you expect.

Best regards,

Artem Atanasov
