RE: Centravis production

Our dear clients, partners and friends,

Ukraine continues to live in the conditions of a full-scale war. Currently our government dealing with reconstruction of critical infrastructure facilities, in particular the energy sector, which was partly destroyed in October by russians. At the same time, the country continues its diplomatic activity, so the world reacts strongly to russian escalation.

Centravis production continues to work and its effectiveness was not affected. Our key equipment is provided with electricity in full volume. Production is provided with billets and all necessary materials.

Our Logistics team is actively working and constantly looking for the best and safe ways to deliver the finished products. They manage to organize the processes in the way to prevent disruptions in the delivery of orders in the future.

Our Sales offices worldwide in Essen, Milan, Krakow, Lugano, Houston, and Dubai are open, our Financial and Administrative Departments, Customer support are ready for your calls and messages.

Centravis CEO Yuriy Atanasov and Production Director Andriy Krasjuk are staying in Ukraine and keep working in Nikopol.

This week Centravis team participates in annual exhibition Abu Dhabi International Petroleum Exhibition & Conference 2022 (ADIPEC), which takes place in the capital of OAE from year 1984. Traditionally, the ADIPEC platform unites the manufacturers of products and equipment, which used in this field.

We are happy to be among world's leaders and looking forward for the cooperation with new partners.

Sincerely,

Artem Atanasov
