Dear Clients and Partners,

As we strive to keep you informed about significant developments within our company, I wish to share an important update regarding our team.

We announce that Irina Kalinina, the Sales Manager for the AMEA (Asia, Middle East and Africa) market, will be leaving Centravis. To ensure that our operations and customer service in the AMEA market remain seamless during this transition, please direct any inquiries or concerns to Denis Knyazhentsev at dknyajentsev@centravis.com.ua or to me, Artem Atanasov, at aatanasov@centravis.com. We are committed to maintaining the highest level of service and operational excellence. Additionally, we will soon be launching a search to fill this vital position, and we look forward to introducing a new member to our team who will continue to drive our success in the AMEA region.

Currently, our operations are running smoothly, supported by stable energy and water supplies which allow us to operate without any disruptions. Our equipment across all departments is functioning optimally, with no recorded issues, ensuring that our production lines are as efficient as ever. Furthermore, the Centravis team is showing remarkable dedication and motivation, fully equipped to meet and overcome any challenges that come our way.

Thank you for your understanding and continued partnership during this period of transition. Your trust and support are invaluable as we continue to aim for excellence and innovation in all our operations.

Best regards,
Artem Atanasov
