FROM: Artem Atanasov, Chief Sales Officer, Centravis

Our dear clients, partners, and friends,

Ukraine continues to be in a state of active defence from aggressor country. Despite massive shelling on Thursday, we didn't have any changes in power supply.

Centravis production is running at full capacity. All equipment is running, the Hot and the Cold Shops are working.

Our logistics team constantly controls the safest ways to deliver the finished products. Our Sales offices worldwide in Essen, Milan, Krakow, Lugano, Houston and Dubai are ready to your requests. The Financial and Administrative Departments, Customer support are also ready to help.

Centravis CEO Yuriy Atanasov and Production Director Andriy Krasjuk stay in Ukraine and keep working in Nikopol.

We launched our production in Uzhgorod few weeks ago and we already have received some orders from new customers to be produced there.

This week I have visited our clients in Germany. We had productive and fruitful discussions which definitely would help us to find new possibilities for extending our cooperation.

Thank you for choosing Ukrainian products!

Sincerely, Artem Atanasov aatanasov@centravis.com
