№ _____ dd 12.01.2024

FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

First of all, I would like to send everyone my warmest wishes for a Happy New Year!

We successfully returned from the winter vacation and have fully engaged in our first week of work in January.

Everything is in perfect order at the Centravis plant. Our ability to consistently obtain energy, water, and billets ensures that our operations run smoothly. Our team's dedication and concentration guarantee that our equipment performs to the high standards.

Bureau Veritas performed a traditional monthly audit of Centravis at the end of December. Their conclusions verify that there are no unfavorable aspects identified during the audit, and our production and shipping procedures are operating as intended. For your review, I've included a section of the audit report. Should you wish to view the full report, complete with detailed imagery and findings, please do not hesitate to contact me directly.

III. CONCLUSIONS

Based on the results of above mentioned audit:

- at the time and place of audit, production situation in the CENTRAVIS PRODUCTION UKRAINE PJSC is stable, the production and shipment of products to customers is provided in normal mode.
- at the time and place of audit, factors that can greatly affect the operation of the enterprise were not detected.
