56 Trubnikov ave, Dnipropetrovsk rgn., Nikopol, 53201, Ukraine

N° _____ dd 16.08.2024

FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear Clients and Partners,

I am delighted to reach out with the latest updates on our operations and upcoming events at Centravis.

At Centravis, we continue to maintain a stable operational environment. Our energy and water supplies are consistently reliable, ensuring uninterrupted production processes. Our equipment is functioning flawlessly, with no issues reported, supporting our commitment to deliver top-quality products efficiently. The dedication and motivation of our team at Centravis remain high, as they are well-equipped and ready to meet and excel in any challenges that might arise.

Seizing the opportunity, I want to remind you about our participation in the ADIPEC 2024 exhibition. As the event date draws near, our preparations are in full swing. We are excited to invite you to visit us at stand 10800 in hall 10, where we will be showcasing our latest innovations in stainless steel technology. This year, we are particularly proud to introduce BalevSteel, a revolutionary product designed for high-pressure applications that offers a lighter, more efficient alternative to traditional materials.

Thank you for your ongoing trust and partnership with Centravis. Your support is fundamental to our continuous drive for excellence and innovation. We are eager to keep advancing our shared goals and exploring new opportunities together.

Best regards,
Artem Atanasov
