RE: Centravis production

Our dear clients, partners, and friends,

Centravis production continues to work. Despite the difficult situation in Nikopol, the Hot Shop and the Cold Shop continue working in 2 shifts. All key equipment is running. Production is provided with billets and all necessary materials.

Our Logistics team is actively working and constantly looking for the best and safe ways to deliver the finished products. Our Sales offices worldwide in Essen, Milan, Krakow, Lugano, Houston, and Dubai are open, our Financial and Administrative Departments, Customer support are ready for your calls and messages.

Centravis CEO Yuriy Atanasov and Production Director Andriy Krasjuk stay in Ukraine and keep working in Nikopol.

The company's management is doing everything possible to ensure the safety of employees. During these times we support not only the families of our colleagues, but also continue to help the Children of Nikopol Charitable Foundation to provide everything necessary for the families who find themselves in difficult life circumstances.

Thank you for being with us and supporting us.

Sincerely,
