

CENTRAVIS PRODUCTION UKRAINE PJSC  
56 Trubnikov ave, Dnipropetrovsk rgn., Nikopol, 53201, Ukraine

№ \_\_\_\_\_ dd 22.03.2024

FROM: Artem Atanasov, Chief Sales Officer, Centravis

Dear clients and partners,

Last night, russia launched an attack on our country's energy infrastructure.

We would like to inform you that our enterprise continues to operate without any restrictions, in the normal mode. Currently, we have all the necessary resources to ensure uninterrupted operation. Production processes are proceeding according to plan.

As I have mentioned before, Centravis is among the top 50 largest exporters in Ukraine, hence the state always supplies us with electricity.

If you need a personal video from our CEO or Production Director from our operational production site, please let us know.

I would also like to remind you that last week, Bureau Veritas conducted their routine audit of our operations this month. The findings from this audit confirm that there are no issues, indicating that both our production and distribution processes meet our high-quality standards. A segment of the audit report is available for your review.

### III. CONCLUSIONS

Based on the results of above mentioned audit:

- at the time and place of audit, production situation in the **CENTRAVIS PRODUCTION UKRAINE PJSC** is stable, the production and shipment of products to customers is provided in normal mode.
- at the time and place of audit, factors that can greatly affect the operation of the enterprise were not detected.
