Dear Partners and Colleagues,

Centravis is steadily navigating through these times, ensuring consistent and uninterrupted production.

Our operations are proceeding as planned. We have a steady water supply, energy, raw materials, and our logistics and equipment are working without any problems. With the help of our team, we're keeping things moving.

For those of you who might have missed our previous communication, I would like to extend an invitation to watch a video update we recently prepared.

Here is the link to the video: <https://youtu.be/MsEHsBvU4Wg>

We deeply value the trust you place in us, and we remain committed to upholding the high standards we have set for ourselves.

This week, I was visiting our clients in Netherlands. Our CEO, Yuriy Atanasov, and Production Director, Andriy Krasjuk, are currently in Ukraine and actively engaged in their roles in Nikopol

Our team in Nikopol sends a big thank you to all our clients. Each order we receive isn't just about business, it's a signal of your confidence in our abilities. Every order fuels our motivation and helps us stay strong during these tough times.

Best regards,
Artem Atanasov
